Accessibility statement

Introduction

Legislative Decree No. 82 of 27 May 2022 transposes Directive (EU) 2019/882 of the European Parliament and of the Council of 17 April 2019 on the accessibility requirements for products and services. The provisions on the accessibility of services apply from 28 June 2025.

La Civiltà di Golasecca is a cultural and archaeological heritage project promoted by the **Soprintendenza Archeologia, Belle Arti e Paesaggio** (Superintendency for Archaeology, Fine Arts and Landscape) in collaboration with **Regione Lombardia**, **FNM** and **SEA**. The project is committed to ensuring the accessibility of its services in accordance with Legislative Decree No. 82/2022 and the AgID Guidelines on the accessibility of services.

This Accessibility statement, provided through the website La Civiltà di Golasecca, describes how the service meets the applicable accessibility requirements under Legislative Decree No. 82/2022 and the AgID Guidelines on the accessibility of services.

Description of the service

La Civiltà di Golasecca is an informative and educational website dedicated to promoting the Golasecca culture, an ancient protohistoric civilisation that developed in north-western Italy between the 9th and the 4th century BC. The website aims to make historical and archaeological content, in-depth articles, information materials and cultural resources available to the public, encouraging knowledge and dissemination of the historical heritage linked to this civilisation.

How our website meets the accessibility requirements

The service is designed and provided taking into account the applicable accessibility requirements set out in Legislative Decree No. 82/2022 and its Annex I, as well as in the AgID Guidelines on the accessibility of services.

In particular, the service is designed and provided so as to be:

- perceivable;
- operable;
- understandable;
- robust;

taking into account the needs of people with different types of disabilities and ensuring, where applicable, compatibility with assistive technologies.

Compliance status

The service, provided through the website https://civiltagolasecca.it/, is **partially compliant** with the accessibility requirements set out in Legislative Decree No. 82/2022 and its Annex I.

The partial compliance is due to the cases of non-compliance described below.

The following content and features do not fully comply with the applicable technical accessibility requirements:

- In some sections of the website, the contrast ratio between background and foreground colours does not reach the minimum values required to ensure adequate readability of the content (WCAG 2.1 – 1.4.3).

Technical references

The accessibility of the web content was assessed, where applicable, against the EN 301 549 v3.2.1 (2021-03) standard, including the relevant WCAG 2.1 success criteria.

Future developments and maintenance activities may also take WCAG 2.2 into account as an evolving technical reference, without prejudice to the applicable legal and technical framework.

Date of preparation and review

This Accessibility statement was prepared on **16/11/2026**.

The statement was prepared on the basis of a self-assessment carried out by the service provider using automated accessibility testing tools and manual checks.
